Women and men who serve in any branch of the United States Armed Forces, including Army, Navy, Marines, Air Force, Coast Guard Reserves or National Guard may be eligible for additional services. Veterans are entitled to veteran's preference in the public workforce system. This includes an early look at new job postings prior to non-veterans. In addition, many employers also give preference to hiring veterans, while prospective employers WILL be able to see if you are a veteran, additional service information including information on service-related disability (if any) will NOT be shared.
