

CAREER BLOCKS

INSTRUCTIONS

Materials Needed: Colored Building Blocks (musty supply own),
Colored Career Questions

1. Set up the blocks on a flat, sturdy surface to form a tower.
2. The youngest player will go first, and then proceed clockwise from there.
3. To begin a turn, the player will pull a block from the tower without the tower falling.
4. Once the block is successfully pulled from the tower, the player must choose a corresponding color question card to answer and discuss with the group.
5. Be strategic with what block you decide to pull. One false move and the tower will come tumbling down!
6. Encourage your students to use resources such as www.texascareercheck.com and www.jobsyall.com for help answering questions.
