

Praise, Criticism, & Feedback

Students will learn about the difference between each of these types of communication, how to give each of them and how to receive each of them through conversation with volunteers. Then will roll a dice to pick give or receive (odds give, even receive) then will draw a card to determine praise, criticism or feedback and then will have to demonstrate how to give or receive what they drew.

- 2 large dice
- 12 scenario cards to draw from
- Refer to Posters with definitions of Praise, Criticism, and feedback
